WARNING

Shake well before using. Read entire label before use.

42PHI[®] Zn/Mn

GENERAL INFORMATION: 42PHI[®] Zn/Mn is a liquid fertilizer. 42PHI Zn/Mn is designed to address nutrient deficiencies in various crops.

DIRECTIONS FOR USE: 42PHI Zn/Mn should be used based on soil and tissue analyses in accordance with the recommendation of a qualified person or institution such as a certified crop consultant, agronomist, university crop extension publication or apply according to recommendations in your approved nutrient plan.

General application rate is 1 quart/acre.

COMPATIBILITY: Tank mix compatibility is impacted by water quality which may vary by location. **DO NOT MIX** 42PHI Zn/Mn in a concentrated form with other fertilizers or pesticides. When mixing, always ensure adequate dilution in the spray tank before adding 42PHI Zn/Mn. A standard jar test is recommended prior to mixing with other fertilizers or pesticides.

WARNING: The application of fertilizing materials containing molybdenum may result in forage crops containing levels of molybdenum which are toxic to grazing animals (ruminants).

STORAGE AND DISPOSAL: Product is stable, non-flammable and non-explosive. **DO NOT FREEZE.** If spillage occurs, soak up with an inert substance. Dispose of this product in accordance with federal/state/county regulations. Store this product in tightly closed original container in a well-ventilated place.

WARRANTY AND CONDITIONS OF SALE: Seller's guarantee shall be limited to the terms set out on the label and subject thereto. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
