

CHB 7-27-0

ALWAYS READ LABEL BEFORE USING THIS PRODUCT

7-27-0 Guaranteed Analysis

Total Nitrogen (N)	7%
3.0% Ammoniacal Nitrogen	
4.0% Urea Nitrogen	
Available Phosphate (P₂O₅)	27%

Derived from anhydrous ammonia, urea, phosphoric acid.

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS:

6% solids as amino and organic acids

GENERAL INFORMATION

7-27-0 is part of Bio-Gro's Flourish line of calcium & micronutrient compatible liquid phosphate fertilizers. It contains nitrogen and orthophosphate in a proprietary blend of amino and organic acids.

DIRECTIONS FOR USE

Compatibility - 7-27-0 can be applied with other micronutrients. When tank mixing with trace minerals, be sure minerals are properly chelated. Always conduct a jar test if you are uncertain about compatibility or consult your Bio-Gro, Inc. dealer for more information.

Applications - 7-27-0 can be applied as a band in the soil or broadcast on the surface. It can be injected into drip, micro-sprinkler or overhead irrigation systems.

SUGGESTED APPLICATIONS

Soil Application Rates

All Crops: 7-27-0 can be applied preplant, at planting or side dress at 2 to 10 gallons per acre. Contact your qualified dealer, product representative or agronomist for recommendations on placement of this product.

Fertigation

All Crops: Apply 2 to 10 gallons per acre per irrigation. Recommended fertigation methods include overhead sprinkler and micro irrigation. When using high rates avoid direct contact with living plant material or ensure an adequate volume of water to dilute the product on the plant surface. Minimum dilution is 1 part of 7-27-0 to 50 parts water.

Continue irrigation after application to completely flush lines and maximize nutrient distribution. **7-27-0 will act as an acidifier when injected at rapid rates.** After 20 minutes of injection, it is recommended to test the pH of the water. Do not adjust irrigation water to a pH of less than 5.0.

CONDITIONS OF SALE

Seller and/or manufacturer warrants only that this product consists of the ingredients specified on this label. No one is hereby authorized to make any warranty and/or guarantee concerning the use of this product. Being that the use, timing, placement, rate, application and other conditions are beyond the control of the seller and/or manufacturer, the seller's and/or manufacturer's liability for handling, storage and use of this product is limited to replacement of product or refund of purchase price.
