### NOTICE

Due to variations in materials, application equipment, waters and other conditions, the optimum use rate may vary. Sufficient wetting agent should be added so that the spray uniformly wets the surface being treated and allows an even deposit of the active chemical.

**HERBICIDES** - While Cornbelt® Spray Activator 85 may be used with a wide range of herbicides, some more common applications are with Ally® XP, Assure® II, Cobra®, Flexstar® GT 3.5, Fusilade® DX, Glean® XP, Gramoxone® SL 3.0, Phoenix™, Pursuit®, Realm® Q, Reflex®, Resource®, Synchrony®, Ultra Blazer®, Glyphosate's, Dicamba's, and Cornbelt® 2,4-D's. Use rates vary from 1/2 to 4 pints of Cornbelt® Spray Activator 85 per 100 gallon of spray solution. A use rate of 1 pint per 100 gallon of spray solution is the most common, but always use the rate required on the specific herbicide label.

**GENERAL USE** - For most insecticides, fungicides and acaracides, use 1/4 to 1/2 pint of Cornbelt® Spray Activator 85 per each 100 gallon of finished spray solution. Rate will vary depending upon plant size and type of foliage to be covered.

### USE PRECAUTIONS

Read all directions and warranty of sale. The directions on this label are based on field experience and should be followed for most effective and safe use. DO NOT USE THIS PRODUCT ON CROPS GROWN FOR SEED. SOME INBREDS HAVE A VERY LOW TOLERANCE TO CHEMICALS AND THE USE OF THIS COMPOUND COULD RESULT IN INJURY TO A CROP GROWN FOR SEED.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in original unopened container in a cool place away from heat, sparks and flames.

**DISPOSAL:** Dispose of contents/container in accordance with local/national/international regulations.

### STATEMENT OF PRACTICAL TREATMENT

**IF SWALLOWED:** Call a POISON CENTER or doctor/physician if you feel unwell. Rinse mouth.

**IF IN EYES:** Rinse continually with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing. If eye irritation persists, get medical advice/attention.

**IF ON SKIN (or hair):** Wash with plenty of water. If skin irritation occurs, get medical advice/attention.

### CONDITIONS OF SALE AND WARRANTY

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of VAN DIEST SUPPLY CO. or the Seller. All such risks shall be assumed by the Buyer. VAN DIEST SUPPLY CO. warrants that this product conforms to the Directions for Use subject to the inherent risks referred to above. VAN DIEST SUPPLY CO. makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall VAN DIEST SUPPLY CO. or the Seller be liable for consequential, special, or indirect damage resulting from the use or handling of this product. VAN DIEST SUPPLY CO. and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of VAN DIEST SUPPLY CO.
