# ENVIRONOC® 401

## Beneficial Microorganisms

**BIODYNE, ENVIRONOC 401** is a natural consortium of beneficial microorganisms, including nitrogen fixing and phosphate solubilizing microbes.

**Environoc 401 Uses:** Ideal for corn and soybean row crops. Can also be used on other agricultural crops.

**Guaranteed Analysis**

Active Ingredients	Percent
Mixture of microbial strains	4.4%
Azospirillum brasilense	1x10 <sup>7</sup> CFU/mL
Bacillus amyloliquefaciens	1x10 <sup>7</sup> CFU/mL
Bacillus subtilis	1x10 <sup>7</sup> CFU/mL
Cellulomonas cellasea	1x10 <sup>7</sup> CFU/mL
Pseudomonas fluorescens	1x10 <sup>7</sup> CFU/mL
Pseudomonas putida	1x10 <sup>7</sup> CFU/mL

Inert Ingredients:	
Water	95.6%
Total	100%

See container for manufacture date and lot number.

**Storage and Handling:** Please store at room temperature or below, DO NOT FREEZE.

Keep product out of direct sunlight.

For best results, shake before using since settling can occur.

If combining with other products avoid having them mixed together for extended periods of time. Some chemicals can be detrimental to the microbes. If mixing with other products, it is best to mix right before application (just in time). Always perform a jar test to ensure compatibility. Dispose of all waste in accordance with local, state, and federal regulations. Triple rinse containers and puncture and dispose of in accordance with federal, state, and local law. If spill occurs, clean up with spill kit, and dispose of in accordance with federal, state, and local laws.

**WARNING**

Harmful if swallowed, Causes skin irritation, Causes eye irritation.

**PRECAUTIONARY STATEMENTS:**

Avoid breathing fumes/mist/vapors/spray. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Wear protective gloves/protective clothing/eye and face protection.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do, then continue rinsing with water. If eye irritation persists: Get medical advice/attention.

**IF INHALED:** Remove person to fresh air and keep at rest in a position comfortable for breathing. Call a poison control center or doctor/physician if you feel unwell.

**IF SWALLOWED:** Call a poison control or doctor/physician if you feel unwell. Rinse mouth and do not induce vomiting.

**IF ON SKIN:** Wash with plenty of soap and water. If skin irritation occurs, get medical advice/attention.

Take off contaminated clothing and wash it before reuse. Store in a well ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.

**Conditions of Sale:**

Always follow the labeled application instructions. The application instructions for the use of this material reflect the opinions of experts based on field use and laboratory testing. Read the entire conditions of sale and warranty disclaimer and limitations of liability before using this product. If these terms are unacceptable, return the unopened product immediately. By using this product, buyer or user accepts the following conditions, disclaimer of warranties and limitations of liability.

**SUGGESTED APPLICATION**

**Corn & Soybeans:** 16 ounces per acre in furrow or 2x2 at planting.

**Other Crop:** Check with representative or distributor.

**Warranty Disclaimer:**

NEITHER manufacturer NOR seller makes nor authorizes any employee, agent, or representative to make any other warranty of fitness or merchantability, guarantee or representation, express or implied, concerning this material. Critical and unforeseeable factors beyond manufacturer/seller's control prevent it from eliminating all risks in connection with the use of this material. Such risks include, but are not limited to, damage to plants and crops to which the material is applied, lack of complete control, and damage caused by drift to other plants or crops. Such risks occur even though the product is reasonably fit for the uses stated hereon, and even though label directions are followed. In no case shall either the manufacturer or seller be liable to the buyer or user of the material for any incidental, consequential or special damages.

**Limitations of Liability:**

The exclusive remedy of buyer for any and all losses, injuries, or damages resulting from the use of handling of this product, whether in contract, tort, negligence, or otherwise, shall not exceed the paid purchase price.
