NITROGEN SOURCE**

GUARANTEED ANALYSIS

Total Nitrogen (N)30.00%
14.55% Ammoniacal Nitrogen
15.45% Urea Nitrogen
Derived From:
Urea, Ammonium Nitrate.

ALSO CONTAINS NON-PLANT FOOD INGREDIENT:

12.0% Organic Matter (derived from leonardite)

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

**KEEP OUT OF REACH OF CHILDREN
WARNING**

HAZARD AND PRECAUTIONARY STATEMENTS:

May be harmful if swallowed. Wash hands thoroughly after handling.

PERSONAL PROTECTIVE EQUIPMENT (PPE):

Wear protective gloves/protective clothing/eye protection/face protection.

FIRST AID:

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If On Skin or Clothing: Take off contaminated clothing and wash it before reuse. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

For Emergency Medical Assistance (Human or Animal) contact Rocky Mountain Poison Control at 866-767-5040. For Chemical Emergency Assistance (Spill, Leak, Fire or Accident) contact CHEMTREC at 800-424-9300 (North America) or 703-527-3887 (International).

GENERAL INFORMATION:

INHABIT N FNV is designed to be applied by both soil and/or foliar application. **INHABIT N FNV** supplies nitrogen to crops and should be applied when tissue and soil analysis identifies the need and proper rate of application for this product.

DIRECTIONS FOR USE:

Shake well before use. Best results will be obtained when application is concentrated in the active root zone or on the leaf surface. Can be applied in combination with compatible plant growth regulators, pesticides, or other liquid fertilizers. If compatibility is in question, jar test a small quantity. This product is intended as a supplement to a regular fertilization program and will not, by itself, provide all the nutrients normally required by agricultural crops.

APPLICATION INSTRUCTIONS:

Applications can be made as often as every 7 to 10 days as needed. Apply foliar sprays with sufficient water to ensure uniform coverage without running off leaf surfaces. For maximum results, apply in the early morning or in the evening when air temperatures are optimum for foliar application. Consult your local FBN Representative or other agricultural specialist for crop-specific recommendations.

Note:

- Do not apply this product foliarly in concentrations greater than 5%..
- Do not apply during the hottest time of the day or to plants under drought or flood stress.

METHOD OF APPLICATION:	SUGGESTED RATE PER ACRE Field Crops/ Tree or Vine Crops
Foliar band application at 50% coverage	Up to 1 gallon / ----
Foliar, broadcast or sprinklers: Solid, set, pivot, linear (100% speed)	Up to 2 gallons / up to 5 gallons
Soil banded or injected, through drip tape or micro sprinklers	Up to 5 gallons / up to 10 gallons
Soil broadcast spray incorporated, flood or furrow irrigated	Up to 10 gallons / up to 20 gallons

Application timing, intervals and rates may vary according to individual crop requirement, stage of development, available nutrient levels in the soil, and overall nutritional status of the crop.

STORAGE AND DISPOSAL:

Storage: Do not store this product below 50°F (10°C) or above 90°F (30°C). Keep product in original container. Do not transfer into food or drink containers.

Disposal: Do not reuse empty container. Triple rinse container (or equivalent) during mixing and loading. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and/or federal regulations.

CONDITIONS OF SALE:

FBN Inputs, LLC and its affiliates, respective officers, directors, employees, agents, successors, (collectively, "FBN") warrants only that this product conforms to the product description on the label. Other than the foregoing Limited Warranty, this product is sold on an "as-is" basis. FBN disclaims to the fullest extent permitted by law, all other warranties of any kind, either express or implied, including, but not limited to: the implied warranty of merchantability, the implied warranty of fitness for a particular purpose, non-infringement, that the use of this product will cause or result in any particular outcome, the suitability of this product to control any specific agricultural pest or disease, or the product compatibility with other products or permitted tank mixes. If FBN breaches any of its warranties in relation to this product, buyer's and user's exclusive remedy for such breach is limited to FBN repairing or resupplying (at FBN's election) the relevant or comparable products in compliance with such warranty. To the fullest extent permitted by law, under no circumstances and under no legal theory (including, without limitation, tort, contract, strict liability, or otherwise) shall FBN be liable to user or buyer for (A) any direct, special, incidental, consequential, punitive or exemplary or indirect damages of any kind, including damages for lost profits, lost revenue, unrealized savings, crop loss, loss of yield, loss of goodwill, business interruption damages, work stoppage, or (B) any amount, in the aggregate, in excess of the amount actually paid for this product, exclusive of taxes, shipping & handling, and any other applicable fees, or (C) any other matter. FBN further disclaims any liability for compensatory or other damages arising out of any use contrary to the label direction. Some jurisdictions do not allow the exclusion or limitation of certain damages or limitations on how long an implied warranty last, so only portions of the above limitation and exclusions may apply to user or buyer if so restricted by law.
