(If you do not understand the label, find someone to explain it to you in detail.)*

PRECAUTIONARY STATEMENTS

May be fatal if swallowed and enters airways. Causes severe skin burns and serious eye damage. Do not breathe mist, vapors or spray. Wash protective equipment and work clothes thoroughly after handling. Do not eat, drink or smoke when using this product.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators and other handlers must wear: splash-proof goggles and face shield, long-sleeved shirt, long pants, shoes, socks, USDA-accepted nitrile (CFR-20) or neoprene rubber (CFR-21) chemically-impervious gloves and neoprene apron. Consult the SDS for further information.

FIRST AID

- If Swallowed:** Immediately call a POISON CENTER/doctor or Chemtrec. Rinse mouth. Have person sip a glass of water if able to swallow. Do NOT induce vomiting, unless told to by a poison control center or doctor. Do not give anything to an unconscious person.
- If In Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER, doctor or Chemtrec.
- If On Skin or Clothing:** Take off immediately all contaminated clothing. Rinse skin with water or shower. Immediately call a POISON CENTER/doctor or Chemtrec. Treat symptomatically. Wash contaminated clothing before reuse.
- If Inhaled:** Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER/doctor or Chemtrec.

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

For Emergency Medical Assistance (Human or Animal) contact Rocky Mountain Poison Control at 866-767-5040. For Chemical Emergency Assistance (Spill, Leak, Fire or Accident) contact Chemtrec at 800-424-9300 (North America) or 703-527-3887 (International).

PHYSICAL AND CHEMICAL HAZARDS

May be corrosive to metals

GENERAL INFORMATION

Functions: Water Conditioner, Activator, Penetrant, Evaporation Reduction, Canopy Penetration, Deposition Aid, Drift Reduction

Sizzle™ is a low-use-rate oil-based activator adjuvant and penetrant with a built-in water conditioning plus drift and deposition aid system designed to maximize the speed and performance of glyphosate and its tank mix partners. It works by sequestering antagonistic hard water ions and maximizing cuticle penetration, evaporation reduction, and canopy penetration of both water-soluble and oil-soluble herbicides. **Sizzle™** may serve as a substitute for crop oil concentrates as well as AMS in a wide range of glyphosate tank mixes.

DIRECTIONS FOR USE

FOR USE WITH PESTICIDES REGISTERED FOR AGRICULTURAL, FORESTRY, INDUSTRIAL, MUNICIPAL, NON-CROPLAND, AND RIGHTS-OF-WAY.
READ LABEL BEFORE USE.

USE RATES

- General Ground: 0.5 – 3 quarts per 100 gallons of spray solution (0.125% - 0.75% v/v)
General Aerial: 2 – 3 quarts per 100 gallon of spray solution (0.5% - 0.75% v/v)
Glyphosate Only: 1 - 2 quarts per 100 gallons of spray solution (0.25% - 0.5% v/v)
Glyphosate plus Clethodim: 2 - 2.5 quarts per 100 gallons of spray solution (0.5% - 0.625% v/v)
- Satisfies oil requirement for clethodim
 - Applies to other post-emergent grass herbicide tank mixes

MIXING INSTRUCTIONS

In the absence of specific mixing instructions found on the pesticide label, fill the spray tank with at least 50% of the desired finished carrier volume. When premixing in a mixing vessel or inductor, fill with at least 20% of the desired finished carrier volume. While the carrier is agitating, add tank mix ingredients in the following order:

1. Compatibility agent and/or antifoam, if needed
2. AMS, dry formulations (WP, DF, WG, SP), and dry drift retardants
3. Dry soluble and suspension fertilizers / micronutrients
4. Liquid drift retardants and flowable formulations (F & FL)
5. Liquid concentrates, suspension and microencapsulated (LC, SC, ME)
6. Emulsifiable concentrates (E, EL or EC)
7. Solutions and soluble liquids (S or SL)
8. Liquid micronutrients and fertilizers
9. **Sizzle™** and other adjuvants (COC, HSOC, MSO, NIS)
10. Final finishing to desired spray volume level and continue agitation

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a cool, dry, locked area. Store in the original container only. Keep container tightly sealed when not in use. Prevent water from being introduced into the contents of this container.

PRODUCT DISPOSAL: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal.

The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

CONDITIONS OF SALE

FBN Inputs, LLC and its affiliates, respective officers, directors, employees, agents, successors, (collectively, "FBN") warrants only that this product conforms to the product description on the label. Other than the foregoing Limited Warranty, this product is sold on an 'as-is' basis. FBN disclaims to the fullest extent permitted by law, all other warranties of any kind, either express or implied, including, but not limited to, the implied warranty of merchantability, the implied warranty of fitness for a particular purpose, noninfringement, that the use of this product will cause or result in any particular outcome, the suitability of this product to control any specific agricultural pest or disease, or the product compatibility with other products or permitted tank mixes. If FBN breaches any of its warranties in relation to this product, buyer's and user's exclusive remedy for such breach is limited to FBN repairing or resupplying (at FBN's election) the relevant or comparable products in compliance with such warranty. To the fullest extent permitted by law, under no circumstances and under no legal theory (including, without limitation, tort, contract, strict liability, or otherwise) shall FBN be liable to user or buyer for (A) any direct, special, incidental, consequential, punitive or exemplary or indirect damages of any kind, including damages for lost profits, lost revenue, unrealized savings, crop loss, loss of yield, loss of goodwill, business interruption damages, work stoppage, or (B) any amount, in the aggregate, in excess of the amount actually paid for this product, exclusive of taxes, shipping & handling, and any other applicable fees, or (C) any other matter. FBN further disclaims any liability for compensatory or other damages arising out of any use contrary to the label direction. Some jurisdictions do not allow the exclusion or limitation of certain damages or limitations on how long an implied warranty lasts, so only portions of the above limitation and exclusions may apply to user or buyer if so restricted by law.
