PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF

LIABILITY AND REMEDIES. Keep product locked up and out of the reach of children. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. Do not take internally. Avoid contact with or inhalation of spray application mist if present. Do not apply this product in such a manner as to directly expose workers or other persons. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling. Not for human or animal consumption.

Personal Protective Equipment (PPE): Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks when using this product. Take off any contaminated clothing and wash before reuse

FIRST AID		
IF IN EYES:	contact lenses, if pre rinsing.	n water for several minutes. Remove sent and easy to do. Continue center or doctor for treatment
	advice.	center of doctor for treatment
IF SWALLOWED:	Call a POISON CEN	TER or doctor immediately.
	Rinse mouth. Do NO	T induce vomiting.
	Do not give anything person.	by mouth to an unconscious
	Immediately call a P	OISON CENTER or doctor.
IF INHALED:	Move person to fresh	n air and keep at rest in a position

<u>Disclaimer:</u> Always refer to the label <u>on the product</u> before using Helena or any other product.

•	If not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
•	Call a POISON CENTER or doctor for treatment advice.
•	Take off immediately all contaminated clothing. Rinse skin with water or shower.
	•

Wash contaminated clothing before reuse.

HOT LINE NUMBER

IF ON HAIR

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container only. Keep container tightly closed. Do not allow water to be introduced into the contents of this container. Do not store near heat or open flame. Do not store with oxidizing agents or ammonium nitrate. Keep locked up and out of the reach of children.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading and add rinse water to spray tank. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

GENERAL INFORMATION

FULLSCALE™ is an ammonia free foliar nutrient solution. It provides a specific nitrogen and potash concentration that can improve the general plant condition and is a valuable supplement to soil fertilizer programs.

Foliar fertilization is intended as a supplement to a regular fertilization program and will not, by itself, provide all the nutrients normally required by crops or other intended plants.

COMPATIBILITY

FULLSCALE™ is compatible with most fungicides and insecticides, provided they are used in accordance with the registered label directions. Some compatibility problems may occur with alkaline mixtures (lime sulfur) and with spreader stickers containing ethanol. When there is a question of compatibility prior to charging the spray tank, use the "jar compatibility test" in the following manner: Add 30 fl. oz. (20 parts) water to a glass jar with at least one quart capacity, then add 1.5 fl. oz. (1/3 part) of the products to be tank mixed. Shake well and allow to stand for at least 5 minutes. Observe to determine if any flocculation, precipitation, or unusual settling out occurs. If flocculation, precipitation, or other incompatible properties, etc. occur, do not tank mix FULLSCALE™ with this product. Select another product with suitable compatibility properties.

DIRECTIONS FOR USE

FULLSCALE™ may be applied to labeled crops alone or in combination with pesticide sprays. It may also be applied with herbicides that prohibit the addition of ammonium nitrogen when approved by the manufacturer.

FULLSCALE™ should be applied with minimum spray volumes of 5 gallons/acre by ground and 2 gallons/acre by air. In the case of very alkaline spray water (ph 7.5 to 8.0), it is strongly recommended to use an acidifying or buffering agent to lower the pH of the mixture down to 6.5-7.0.

The following crop rate recommendations are listed below. SHAKE CONTAINER WELL, add **FULLSCALE**™ to partially filled spray tank. All other spray materials should be added prior to **FULLSCALE**™.

CROP RATE RECOMMENDATIONS

FIELD CROPS

COTTON: 1 pint/acre. One application: Apply at pinhead square growth stage

CEREAL CROPS: 1 pint/acre. Apply at reproductive growth stages

CORN: 1 pint/acre. V10 to R2 growth stage

SOYBEANS: 1 pint/acre. One application at bloom (R1-R5 growth stage)

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale–Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and must be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Agri-Enterprises, LLC (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Agri-Enterprises, LLC's election, one of the following:

- 1. Refund of the purchase price paid by buyer or user for product bought, or
- 2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
