WARNING
ADVERTENCIA

KEEP OUT OF REACH OF CHILDREN

Causes serious eye irritation. Causes skin irritation. May cause damage to lungs through prolonged repeated inhalation. Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle.

(If you do not understand the label, find someone to explain it to you in detail.)

**FOR CHEMICAL SPILL, LEAK, FIRE OR EXPOSURE, CALL:
CHEMTREC 1-800-424-9300**

PRECAUTIONARY STATEMENTS: Wash hands thoroughly after handling. Wear gloves, eye and face protection. Do not breathe dust.

FIRST AID: IF IN EYES: Rinse cautiously with water for 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN: Remove contaminated clothing. Wash skin with soap and water. If skin irritation occurs, get medical advice/attention. Wash contaminated clothing before reuse. Get medical attention if you feel unwell.

STORAGE AND DISPOSAL: Do not stack pallets more than three high. Do not store bags or pallets in areas where they can get wet from precipitation. Bags should be completely empty prior to disposal. Do not re-use bags. Dispose of contents/container in accordance with Federal, state and local regulations.

DIRECTIONS FOR USE: The best results with this product are obtained when it is applied to actively growing grass and watered into the turf soon after application. Avoid mowing immediately following application to prevent pick-up. Application with rotary or pendulum spreaders is recommended for uniform distribution. The use of a drop spreader is not recommended. Consult your spreader manual or spreader manufacturer to determine spreader settings to achieve application rates desired. You may need to adjust the setting depending on the walking speed, spreader condition, and product.

STANDARD APPLICATION RATES:

Nitrogen Rate	Apply Product At		COVERAGE: 50 lbs of fertilizer Gravity G 26-5-10 covers approximately 12,987 Sq. Ft. at the rate of 3.85 lbs per 1000 sq. ft.
	1.0 lb/1000 ft ²	0.5 lb/1000 ft ²	
	167.7 lbs/acre	3.85 lbs/1000 ft²	
	83.64 lbs/acre	1.92 lbs/1000 ft²	

For Turfgrass Applications: Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn/garden

Florida: it is recommended that the user of this product follow the Green Industries and Golf Course Best Management Practices found at: http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/BMP_Book_final.pdf; <http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/glfbmp07.pdf>

Maryland: This product is being used in accordance with the recommended application rates established by the University of Maryland. This fertilizer contains phosphorus and may not be used on turf in the state of Maryland except when 1) providing nutrients to specific soils and target vegetation as determined to be necessary in accordance with a soil test that was conducted by a laboratory identified under §8-803.7 of the Agriculture Article, Annotated Code of Maryland, performed no more than 3 years before the application; 2) establishing vegetation for the first time, such as after land disturbance, provided the application is conducted in accordance with the recommended application rates established by the State; or 3) reestablishing or repairing of turf.

New Hampshire: No turf fertilizer sold at retail shall exceed 0.9 pounds per 1,000 square feet of total nitrogen per application when applied according to the instructions on the label. No turf fertilizer shall exceed an annual application of 3.25 pounds per 1,000 square feet of total nitrogen when applied according to the instructions on the label. No fertilizer sold at retail that is intended for use on newly established or repaired lawns, or for lawns testing deficient in phosphorus shall exceed an application rate of one pound per 1,000 square feet annually of available phosphate.

Virginia: This product is being used in accordance with the recommended application rates established by the VA Nutrient Management Standards & Criteria. This lawn fertilizer contains phosphorous and is only for non-agricultural use on (i) turf during its first growing season, (ii) on turf areas being repaired or renovated, and (iii) on turf where a soil test performed within the last 3 years indicates a phosphorous deficiency. This fertilizer is not for the routine maintenance of turf.
