# H2O CONDITIONER

## WATER CONDITIONING AND DEPOSITION ENHANCING SOLUTION

### PRINCIPAL FUNCTIONING AGENTS

Ammonium sulfate, 1,2,3-trihydroxypropane, phosphoric acid, polyacrylamide, dimethylpolysiloxane..	33.28%
Constituents ineffective as spray adjuvants.....	66.72%
Total.....	100.00%

*All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.*

### FIRST AID

**If Inhaled:** Remove to fresh air, treat symptomatically. Seek medical advice/attention.

**If Swallowed:** Do not induce vomiting. Do not give liquids. Seek immediate medical advice/attention.

**If On Skin:** Wash with plenty of soap and water. Seek medical advice/attention if irritation persists.

**If In Eyes:** Immediately flush with water for 15 to 20 minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical advice/attention.

### GENERAL INFORMATION

H2O Conditioner contains a deposition agent, formulated to enhance spray coverage and retention of pesticide products, that recommend the use of ammonium sulfate or a nitrogen source.

H2O Conditioner improves efficacy of various pesticide sprays by minimizing antagonism caused by hard water metal ions that are generally present in most spray water sources.

The humectant ingredient in H2O Conditioner slows the drying time of spray droplets and minimizes crystal formation of pesticide residues that can impede plant uptake.

The acidifying agents in H2O Conditioner modify spray water pH.

The antifoam ingredient in H2O Conditioner minimizes formation of troublesome foam.

### ENVIRONMENTAL HAZARDS

Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

### KEEP OUT OF REACH OF CHILDREN WARNING

### HAZARD STATEMENTS

Causes eye irritation. Causes mild skin irritation.

### PRECAUTIONARY STATEMENT

Wash thoroughly after handling. Wear protective gloves/eye/face protection. IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical advice/attention. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs, get medical advice/attention.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal of this product.

**Storage:** Keep container tightly closed. Store in a closed container. Store in original container. Do not allow water or other chemicals to be introduced into contents of container. Do not contaminate water sources with equipment washwater, spray disposal wastes or by cleaning of equipment. Do not store near feed or food products. Do not use or store near open flame.

**Disposal:** Triple pressure rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org). Dispose of contents/container in accordance with local/national regulations.

H2O Conditioner is Manufactured for Aspect Ag, LLC

### NET CONTENTS

30 Gallons (113.56 Liters)

265 Gallons (1,003.13 Liters)

### DIRECTIONS FOR USE

For use with products registered for agricultural, forestry, industrial, municipal, non-cropland, ornamental, rights-of-way and other uses. This product cannot be used for aquatic applications.

Always read and follow label directions of the pesticide before using H2O Conditioner. Unless otherwise instructed by pesticide label recommendations, always add H2O Conditioner first to the tank mix prior to other tank mix partners.

### USE RATE

**Ground:** Apply at a rate of 2 to 4 quarts in 100 gallons of spray mix (0.5% to 1.0% v/v).

**Aerial:** Use 1 to 2 quarts per 100 gallons (0.25% to 0.5% v/v).

#### NOTICE-READ CAREFULLY

**TERMS AND CONDITIONS OF SALE:** Buyer and user's receipt of any goods delivered hereunder shall be an unqualified acceptance of and a waiver by buyer and user of any and all claims with respect to such goods unless buyer or user gives seller notice of claim within fifteen (15) days after such receipt. Buyer shall be liable for any shortages of goods delivered hereunder, unless buyer gives seller notice of such shortages of goods within twenty-four (24) hours from receipt of shipment of buyer. Buyer or user assumes all risk and liability from the results obtained by the use of any goods delivered hereunder, or in manufacturing processes of buyer, or in combination with other substances. Neither seller nor manufacturer shall be liable for any claim of any kind, whether as to goods delivered or for non-delivery of goods except specifically provided herein.

**LIMITATION OF LIABILITY:** In no event shall seller be liable for special, incidental, or consequential damages, or for damages in their nature of penalties relating to the goods sold. Seller shall not be liable to buyer or user by way of indemnification to customers of buyer, if any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or rising out of the misuse, or failure to follow label warnings or instructions for use, of the goods sold by seller. Buyer's or user's exclusive remedy, and seller's total liability shall be for damages not exceeding the cost of the product.

**WARRANTY DISCLAIMER:** The goods sold to you by this agreement are furnished "as is" by seller, and are subject only to the manufacturer's warranties, if any, which appear on the labels of the products. Seller, make no other warranties, guarantees or representations of any kind to buyer or user, either expressed or implied or by usage of trade, statutory or otherwise, with regard to the product sold, included but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. Ineffectiveness, or other unintended consequences may result because of such factors as the presence or absence of other materials used in combination with the goods, or the manner of use or application, or atmospheric conditions, all of which are beyond the control of seller.
