

Idaho's Best 7-30-5

with Zinc, Iron and Humic Acid
Liquid Fertilizer for Soil and Foliar Application

GUARANTEED ANALYSIS

Total Nitrogen (N).....	7.00%
Available Phosphate (P ₂ O ₅).....	30.00%
Soluble Potash (K ₂ O).....	5.00%
Iron (Fe).....	0.10%
Zinc (Zn).....	0.05%

Derived from: Monoammonium Phosphate, Orthophosphoric Acid, Potassium Hydroxide, Ferrous Sulfate, and Zinc Sulfate

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS:
0.14%..... Humic Acids from Leonardite

KEEP OUT OF REACH OF CHILDREN

DANGER

Causes severe skin burns and eye damage.

F1548

FOR AGRICULTURAL AND PROFESSIONAL USE ONLY

FIRST AID

If in Eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

GUARANTEED BY: LOVELAND PRODUCTS, INC.® PO BOX 1286 GREELEY CO 80632-1286

PRODUCT INFORMATION: Contains readily available nutrients in combination with humic acid for both soil and foliar application. It is formulated to prevent and correct nutrient deficiencies and promote sustained growth during periods of stress.

SHAKE WELL BEFORE USING

DIRECTIONS FOR USE

Apply 1.0 to 5.0 gallons per acre depending on soil conditions before, at, or after planting as a banded side-dress. Broadcast soil application on calcareous soils is not recommended except alfalfa which should have a broadcast application after dormancy is broken and 10 to 14 days after each cutting.

FOLIAR APPLICATION: For maximum nutrient uptake, foliar application should be made in early morning or late evening. Some foliar burning could result if applied during hot, dry, daytime conditions. Dilute with adequate water to insure thorough foliage coverage.

FIELD CROP APPLICATIONS

FIELD AND VEGETABLE CROPS: Apply 2.0 to 3.0 quarts per acre when there is sufficient foliage for spraying or when deficiency symptoms appear. Repeat application every 2 weeks as needed. Consult your crop advisor for additional information on rates and timing of applications for specific crops.

FRUIT AND NUT CROPS: Apply 3.0 to 4.0 quarts per acre early in the season when improved vigor is desired or deficiency symptoms appear. Repeat every 3 to 4 weeks as needed.

CAUTION: Late season application of Nitrogen may delay maturity and fruit color in certain crops. Consult your crop advisor for specific rates and timing.

STORAGE and DISPOSAL

STORAGE: Store in original containers only. Keep containers tightly closed when not in use. Store in a cool, dry well-ventilated area, preferably in a locked storage area away from children, feed and food products, and seed. Store at ambient temperatures. Do not contaminate water, food, or feed by storage or disposal.

DISPOSAL: Do not reuse container. Plastic: Triple rinse (or equivalent), adding rinse water to spray tank, then offer for recycling at an ACRC site (go to <http://www.acrecycle.org/>) or by reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal.

HANDLING: Avoid breathing fertilizer mists. Avoid prolonged or repeated skin contact. Avoid eye contact. Wash hands thoroughly after handling this product.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary.
