

IN-Cert™ HighSurf MSO

High Surfactant Modified Vegetable Oil Concentrate

PRINCIPAL FUNCTIONING AGENTS:

| | |
|---|------|
| Methylated seed oil, alkylphenol ethoxylates, fatty acids..... | 96% |
| Constituents Ineffective as Spray Adjuvants | 4% |
| Total..... | 100% |

Surfactant content: 30%

Oil content: 60%

All ingredients are approved for use under 40 CFR Part 180

KEEP OUT OF REACH OF CHILDREN

WARNING

HAZARD AND PRECAUTIONARY STATEMENTS:

Causes serious eye irritation. Harmful if swallowed. Causes skin irritation. Toxic to aquatic life with long lasting effects. Wear eye and face protection, protective clothing and gloves. Do not eat, drink or smoke when using this product. Wash protective equipment and work clothes thoroughly after handling.

ENVIRONMENTAL PRECAUTIONS:

Avoid release to the environment. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

PERSONAL PROTECTIVE EQUIPMENT (PPE):

Applicators and other handlers must wear splash-proof chemical safety goggles, face protection, chemically-resistant impervious gloves, long-sleeved shirt, pants, socks and shoes. Consult the SDS for further information.

FIRST AID

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If On Skin: Take off contaminated clothing and wash it before reuse. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

HAVE THE PRODUCT CONTAINER OR LABEL WITH YOU WHEN CALLING A POISON CONTROL CENTER OR DOCTOR, OR GOING FOR TREATMENT.

For Hazardous Materials or Dangerous Goods Incidents ONLY (spill, leak, fire, exposure or accident), call CHEMTREC at 1-800-424-9300.

GENERAL INFORMATION:

Functions: Activator, leaf penetrant, evaporation reduction, foliar Retention, spreader, wetter.

IN-Cert HighSurf MSO is a specialized blend of modified seed oil and surfactant designed to enhance the performance of herbicides. It may be used at reduced rates compared to conventional MSO. *IN-Cert HighSurf MSO* may also be used with insecticides, fungicides and PGR's.

DIRECTIONS FOR USE:

Prior to use, read all directions on this label and on the label of the pesticide to be applied. Do not use where the pesticide label prohibits the use of an adjuvant. If the label neither recommends nor prohibits an adjuvant, the applicator must have prior experience with the adjuvant/pesticide mix under local conditions

The addition of adjuvants to some pesticides, fertilizers and their tank mixes may cause phytotoxicity. Before using *IN-Cert HighSurf MSO*, the applicator or crop advisor must have experience with the pesticide combination, including *IN-Cert HighSurf MSO*, or must have conducted a phytotoxicity test.

SHAKE WELL BEFORE USING.

FOR USE WITH PESTICIDES REGISTERED FOR AGRICULTURAL, FORESTRY, INDUSTRIAL, MUNICIPAL, NON-CROPLAND AND RIGHTS-OF-WAY. NOT FOR AQUATIC USE.

USE RATES:

GROUND: 2-3 quarts per 100 gallons of spray (0.50 – 0.75% v/v) or a minimum of 10-12 oz/acre.

A general use rate of 2 quarts per 100 gallons of water will fit most herbicide applications.

AIR: 10-12 ounces per acre. Refer to pesticide label for minimum water volume per acre.

These rates are sufficient for most uses. Some pesticide labels may require higher or lower adjuvant rates. Read and follow the pesticide label in such cases.

Mixing:

Always start with spray equipment that has been thoroughly cleaned. Refer to the specific mixing instructions listed on the respective pesticide label(s) prior to mixing. In the absence of specific mixing instructions, fill the spray tank with at least 50% of the final carrier volume. While the carrier is agitating, add tank mix ingredients in the following order:

1. Antifoam and / or compatibility agent
2. Dry formulations (WP, DF, WDG, SG, SP) and ammonium sulfate
3. Flowable formulations (F & FL), liquid concentrates or suspensions (LC, ME, SC, CS)
4. Emulsifiable concentrates (E or EC)
5. Soluble liquids (S or SL)
6. *IN-Cert HighSurf MSO*, water conditioners and other adjuvants
7. Finish filling and continue agitation

IN-Cert™ HighSurf MSO

High Surfactant Modified Vegetable Oil Concentrate

STORAGE AND DISPOSAL:

Storage: Keep containers sealed when not in use. Store in original container only. Protect from freezing. If product freezes, warm to room temperature and agitate before use.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

Recycling decontaminated containers is the best option of container disposal. Visit www.acrecycle.org for the recycling program nearest you.

CONDITIONS OF SALE:

Generic Crop Science, LLC and its affiliates, respective officers, directors, employees, agents, successors, (collectively, "GCS") warrants only that this product conforms to the product description on the label. Other than the foregoing Limited Warranty, this product is sold on an 'as-is' basis. GCS disclaims to the fullest extent permitted by law, all other warranties of any kind, either express or implied, including, but not limited to: the implied warranty of merchantability, the implied warranty of fitness for a particular purpose, non-infringement, that the use of this product will cause or result in any particular outcome, the suitability of this product to control any specific agricultural pest or disease, or the product compatibility with other products or permitted tank mixes. If GCS breaches any of its warranties in relation to this product, buyer's and user's exclusive remedy for such breach is limited to GCS repairing or resupplying (at GCS's election) the relevant or comparable products in compliance with such warranty. To the fullest extent permitted by law, under no circumstances and under no legal theory (including, without limitation, tort, contract, strict liability, or otherwise) shall GCS be liable to user or buyer for (A) any direct, special, incidental, consequential, punitive or exemplary or indirect damages of any kind, including damages for lost profits, lost revenue, unrealized savings, crop loss, loss of yield, loss of goodwill, business interruption damages, work stoppage, or (B) any amount, in the aggregate, in excess of the amount actually paid for this product, exclusive of taxes, shipping & handling, and any other applicable fees, or (C) any other matter. GCS further disclaims any liability for compensatory or other damages arising out of any use contrary to the label direction. Some jurisdictions do not allow the exclusion or limitation of certain damages or limitations on how long an implied warranty last, so only portions of the above limitation and exclusions may apply to user or buyer if so restricted by law.
