

# Micro Mix

## GUARANTEED ANALYSIS

Boron (B) .....	0.25%
Copper (Cu).....	0.10%
0.10% Chelated Copper (Cu)	
Iron (Fe).....	0.10%
0.10% Chelated Iron (Fe)	
Manganese (Mn) .....	3.00%
3.00% Chelated Manganese (Mn)	
Molybdenum (Mo).....	0.0005%
Zinc (Zn) .....	3.00%
3.00% Chelated Zinc (Zn)	

Derived from Boric Acid, Copper EDTA, Iron EDTA, Manganese EDTA, Sodium Molybdate, and Zinc EDTA.

F3445

## GENERAL INFORMATION

Micro Mix is formulated for in-furrow, foliar or soil applications to prevent or correct some micronutrient deficiencies in a wide range of plants. Application of this product is a means of obtaining a quick response to needed micronutrients. Applications may be particularly beneficial during periods of peak nutrient demand, for crops growing on soils having poor nutrient availability or to crops suffering from a weakened root system.

This product should be used as a part of a comprehensive plant nutrition program for optimizing soil/nutrient conditions for plant growth, development, yield and quality.

## DIRECTIONS FOR USE

Consult your local agronomist for rates specific to your crop and conditions.

Do not apply near water, storm drains, or drainage ditches, or to any impervious surface. Do not apply if heavy rain is expected. Apply this product only to the intended application site.

**IN-FURROW APPLICATION:** Apply 1-2 pints per acre.

**FOLIAR APPLICATION:** Apply 1-2 pints per acre as needed with sufficient spray volume to ensure maximum coverage.

**FERTIGATION:** Apply 1-2 pints per acre as needed. Extremely hard water and/or tank mix nitrogen solution may effect performance.

**COMPATIBILITY:** Micro Mix is compatible with most slightly acidic to alkaline fertilizers. This product will lose chelate activity if combined with strongly acidic fertilizers such as phosphoric acid, sulfuric acid or urea sulfuric acid. It is compatible with most plant protection products. To reduce risk of incompatibility, always jar test new combinations prior to field mixing.

## KEEP OUT OF REACH OF CHILDREN

 **WARNING:** Causes serious eye irritation.

**PRECAUTIONARY STATEMENT:** Wear eye/face protection. Wash thoroughly after handling.

**FIRST AID:** If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in original container only and keep tightly sealed when not in use. Store away from incompatible materials. Dispose of contents/container in accordance with federal, state and local regulations.

**WARNING:** This product contains boron. The use of the fertilizing material on any crops other than those recommended may result in serious injury to the crops.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

 **WARNING:** Cancer and Reproductive Harm
