GENERAL INFORMATION:

microSTARTER is specifically formulated to provide various crops with chelated micronutrients. microSTARTER can be applied with starter fertilizers.

APPLICATION RATE:

1-2 qt of microSTARTER at planting.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Follow all governmental procedures for the disposal of all spray solutions. Dispose of containers in accordance with local regulations.

WARNING:

This product contains boron and molybdenum. Boron can be toxic to some crops and excessive levels may result in crop injury. Use according to manufacturer's directions.

PRECAUTIONARY STATEMENTS

Keep container tightly closed. Avoid contact with eyes, skin and breathing vapors or spray mist. Wear protective gloves. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation when handling. Keep away from open flame. In case of fire: Dry chemical fire extinguisher to extinguish and call CHEMTREC (800) 424-9300. First Aid: If exposed call CHEMTREC or refer to SDS First Aid section. If on skin: Take off contaminated clothes immediately. Rinse skin with water.

NOTICE

Manufacturer warrants that microSTARTER conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. Buyer assumes all risk if microSTARTER used in any manner or under any condition other than those specifically set forth on the label.
