

# pHix® WATER TREATMENT ADDITIVE

READ ENTIRE CONTAINER LABEL BEFORE USING THIS PRODUCT

## GUARANTEE

Monocarbamide dihydrogen sulfate 79%

- CAUTION -  
KEEP OUT OF REACH OF CHILDREN

## GENERAL INFORMATION

Water with high mineral content and high pH can reduce the mixability, solubility and stability of many solutions. pHix® water treatment additive is formulated to expand conditions for use of a control product or maintain integrity of the spray diluent.

## DIRECTIONS FOR USE

Suggested use rate is 0.75 to 2.5 L / 1000L of water. It is suggested that water be tested for both pH and level of hardness. Water with higher mineral content will require higher rates of pHix.

## PRECAUTIONS

**GLOVES:** Impervious gloves

**EYES:** Chemical goggles, also wear face shield if splashing hazard exists

**RESPIRATORY PROTECTION:** In misty atmosphere use an approved mist respirator

**OTHER PERSONAL PROTECTION DATA:** Ensure that eyewash stations & safety showers are proximal to the work-station location.

## FIRST AID

**FOR EYE CONTACT:** Check for and remove contact lenses. IMMEDIATELY flush eyes with running water for at least 15 minutes, keeping eyelids open. Seek immediate medical attention.

**FOR SKIN CONTACT:** Immediately flush skin with water and removing contaminated clothing and shoes. Use water and thoroughly wash the contaminated skin with running water and non-abrasive soap. Use warm water if available. If irritation persists obtain medical attention.

**FOR INHALATION:** Allow the person to rest in a well ventilated area. Watch for airway obstruction. Give oxygen if available. Seek medical attention.

**FOR INGESTION:** Do not induce vomiting. Give no more than 1 cup of milk or water to rinse the mouth and throat and dilute the stomach contents. Contact a physician and seek medical attention.

## DISPOSAL

Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities.

## HAZARDOUS INGREDIENTS

Monocarbamide Dihydrogen Sulphate  
CAS#21351-39-3
