LIQUID SEAWEED EXTRACT

Guaranteed Minimum Analysis

Seaweed Extract(Sargassum Hemiphyllum)...	35%
Available Phosphoric acid (P ₂ O ₅)	7%
Soluble Potash (K ₂ O)	14%
Organic Matter	3.5%

This product is produced using a proprietary biological extraction method for high natural ingredients.

CAUTION: KEEP OUT OF REACH OF CHILDREN

ALWAYS READ LABEL BEFORE USING.
PROTECT FROM FREEZING.

Information regarding the contents and levels of metals in this product is available on the internet at:
<http://www.aapfco.org/metals.htm>

CAUTION: Can cause skin and eye irritation. Do not eat, drink, or smoke while using this product. Wear protective gloves and clothing, respirator, eye goggles, and face protection. Wash hands thoroughly with soap and water after handling this product.

GENERAL: Pro Kelp is a pure seaweed extract fertilizer, designed to rapidly cure and/or prevent deficiencies in many different horticulture crops.

DIRECTIONS FOR USE: Pro Kelp is a highly effective formulation designed to penetrate soil and plant tissue. Specific rate recommendations should be made based on the crops phosphate and potassium demand or tissue analysis. This proprietary formulation is to be applied by soil or by foliar applications on horticulture crops, vegetables, fruit trees, and small fruits.

SOIL APPLICATIONS: Apply 4-6L /Ha. Repeat up to 3 applications per season. (1.5-2.5 Qrt/Acr)

FOLIAR APPLICATIONS: Apply 1-1.5 L /Ha (0.5 - 1Qrt/Acr). Repeat up to 4 applications per season at 10-15 days apart during vegetative stage. Pro Kelp should be well mixed with water before application. Conduct a jar test for tank mixing with other products.

FIRST AID: If on skin: Remove contaminated clothing. Wash skin thoroughly with soap and water. Wash clothing before reuse. If in eyes: Flush with running water for at least 15 minutes while holding eyelids open. Get medical attention. Ingestion: Drink 1-2 glasses of water and induce vomiting. Never induce vomiting or give anything by mouth to an unconscious person. Call physician immediately. Inhalation: Remove to fresh air. If breathing is difficult, administer oxygen.

STORAGE: Store in a cool dry place. Keep containers sealed while in storage and protect from freezing. If product freezes, it is no longer safe to use.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Wastes may be disposed of on site or at an approved waste facility. Always triple rinse jugs prior to disposal. For recycling options please visit [clean farms canada](http://www.cleanfarms.ca) at www.cleanfarms.ca.

WARRANTY DISCLAIMER AND NOTICE:

The directions for use of this product are believed to be adequate and should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the manner of use or application, all of which are beyond the control of Professional Ag Distribution Inc, the manufacturer or seller. The manufacturer or sellers make no warranties, guarantees, conditions or representations of any kind to buyer or user. Tests have not been carried out under all possible conditions and the seller cannot and does not represent or warrant that the goods are compatible with all other chemicals or under all use conditions.

In no event shall Professional Ag Distribution Inc, the manufacturer or seller be liable for consequential, special or indirect damages resulting for the use, handling, application, storage or disposal of this product or for damages in the nature of penalties and the buyer and user waive any right they may have to such damages.
