Hanover, PA 17331

**RUSH** can be applied to all crops including but not limited to vegetable crops, avocados, grapes, melons, row crops, deciduous fruit and nut trees, citrus, strawberries, cranberries, hops and mint, cucurbits, lettuce, beans, tobacco and ornamental crops.

**RUSH** contains potassium which strengthens cell walls, plant and peel tissue on crops. **RUSH** is intended as a supplement to a regular fertilizer program and will not, by itself provide all the nutrients normally required by agricultural crops.

**FOLIAR APPLICATIONS:** applications should be made at 1.5 to 3 pints per acre.

**SOIL AND FERTIGATION:** applications should be made at 3 to 6 pints per acre.

**RUSH** should be used on all crops at the rate of 3 to 6 pints per acre. Timely applications give the best results. **RUSH** may be used at any time to help alleviate crop or nutritional stress and maintain healthy growth. Applications may be applied by ground or air in sufficient water for coverage. For specific crop recommendations, contact your Farm Advisor, PCA, or a Company Representative.

**PRECAUTIONS:** Wash hands with soap and water before meals and after work. Store in the original container tightly closed, in a dry place. Store away from children, pets, livestock and foodstuffs

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>

Use this product in accordance with good agronomic practices, which include utilizing proven spray equipment set for proper coverage. Do not make applications when temperatures are too hot, as crop damage may occur. Applications should be made at temperature levels and when other environmental conditions in your area are such that your experience indicates the application will be compatible and will accomplish the desired result.

**CONDITIONS OF SALE & WARRANTY:** Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the directions and instructions specified on the label under normal conditions of use, but neither this warranty nor any other warranty of merchantability of fitness for a particular purpose express or implied, extends to the use of this product, contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
