GENERAL INFORMATION

ValCheck delivers a drift reduction agent, water conditioner, surfactant, and defoamer for use with dicamba and other herbicides. It contains buffering and chelating agents designed to block hard water cations from interacting with weak acid herbicides like glyphosate and dicamba and aid in maintaining proper pH in the tank-mix solution. ValCheck is built without ammonium sulfate (AMS) and includes a non-ionic surfactant.

DIRECTIONS FOR USE

Prior to use, read and follow all label directions on this label and on the label of the pesticide(s) being used. The pesticide label(s) for specific usages and restrictions have precedence over DIRECTIONS FOR USE referred to on this label.

Rate of Application

Add 0.5% volume to volume or 2 quarts per 100 gallons.

Mixing Instructions

All spray mixing and application equipment must be thoroughly cleaned before pesticides are applied.

1. Fill spray tank half full of water and start agitation.
2. Add desired rate of ValCheck to water before adding pesticides.
3. Add pesticides as directed by the label, while maintaining agitation.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in a well-ventilated area, away from children, food and feed products. Store product in original container only. Keep this container closed when not in use. Do not allow other chemicals to be introduced into the container.

Disposal: Do not reuse container. Dispose of contents/container in accordance with Federal, state and local regulations. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the web page at www.acrecycle.org.

NOTICE OF WARRANTY

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
