**GUARANTEED ANALYSIS**

Total Nitrogen (N) .....	2%
2% Water Soluble Nitrogen	
Sulfur (S) .....	2.4%
2.4% Combined Sulfur	
Zinc (Zn) .....	5%
5% Water Soluble Zinc	

**Derived From:**

Soy Protein Hydrolysate, Zinc Sulfate.

**KEEP OUT OF REACH OF CHILDREN  
AND ANIMALS  
DANGER**

**HAZARD AND PRECAUTIONARY STATEMENTS:**

Causes serious eye damage. Wear protective gloves/protective clothing/eye protection/face protection/hearing protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor. Do not eat or drink.

**ENVIRONMENTAL PRECAUTIONS:**

Avoid release to the environment and collect spillage. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

**PERSONAL PROTECTIVE EQUIPMENT (PPE):**

Applicators and other handlers must wear splash-proof chemical safety goggles, face protection, chemically-resistant gloves, long-sleeved shirt, pants, socks and shoes. Consult the SDS for further information.

**FIRST AID:**

As a general rule, in case of doubt or if symptoms persist, always call a doctor. NEVER induce swallowing by an unconscious person. In the event of splashes or contact with eyes: Wash thoroughly with fresh, clean water for 15 minutes holding the eyelids open. Regardless of the initial state, refer the patient to an ophthalmologist and show him the label. In the event of swallowing: Seek medical attention, showing the label.

**If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If On Skin or Clothing:** Take off contaminated clothing and wash it before reuse. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**HAVE THE PRODUCT CONTAINER OR LABEL WITH YOU WHEN CALLING A POISON CONTROL CENTER OR DOCTOR, OR GOING FOR TREATMENT.**

**FOR HELP WITH MEDICAL EMERGENCY, SPILL, LEAK, FIRE OR EXPOSURE INVOLVING THIS PRODUCT, CALL CHEMTREC AT 1-800-424-9300.**

**GENERAL INFORMATION:**

**Zinc EPC** is a concentrated and highly available form of zinc in an Enhanced Peptide Chelation system to improve availability and reduce leaching in a wide range of pH and soil environments intended for use as part of a starter fertilizer system with Farmer's First Inhabit P as a more compatible alternative to EDTA and other traditional chelated zinc alternatives.

**DIRECTIONS FOR USE:**

Read all label directions carefully before using this product. This product is intended for use as a zinc treatment in all soils and crops. Results are best when applied directly in the soil or root one. Do not exceed the recommended application rate for the product.

**TIMING & COMPATIBILITY:**

**Intended for soil application only.**

**Intended for use and compatible with Inhabit P** in starter fertilizer applications. For any other tank mix partners a **JAR TEST IS REQUIRED TO CONFIRM COMPATIBILITY**

Timing	Compatibility
Pre-Plant	Herbicide <span style="background-color: #d9ead3;">Jar Test Recommended</span>
In Furrow	Fungicide <span style="background-color: #d9ead3;">Jar Test Recommended</span>
Pre-Emerge	Insecticide <span style="background-color: #d9ead3;">Jar Test Recommended</span>
Early Vegetative	PCR <span style="background-color: #d9ead3;">Jar Test Recommended</span>
Late Vegetative	Liquid Fertilizer <span style="background-color: #d9ead3;">Jar Test Recommended</span>
Early Reproductive	Other Nutritional <span style="background-color: #d9ead3;">Jar Test Recommended</span>
Late Reproductive	
Post-Harvest	

**USE RATES:**

Timing	Application	Use Rates
At Planting	In-furrow/2x2	0.5 - 4 pts/A

**MIXING INSTRUCTIONS:**

Always start with equipment that has been thoroughly cleaned. Fill the tank with at least 50% of the final water volume unless otherwise stated on the specific product label. **For any tank mix partners other than Inhabit P™ confirm compatibility with jar test first** THEN while the carrier is agitating, add tank mix ingredients in the following order:

1. Antifoam and / or compatibility agent
2. Dry formulations (WP, DF, WDG, SG, SP) and ammonium sulfate
3. Flowable formulations (F & FL), liquid concentrates or suspensions (LC, ME, SC, CS)
4. Emulsifiable concentrates (E or EC)
5. Add **Inhabit P** then add **Zinc EPC** and other soluble liquids (S or SL)
6. Surfactants, water conditioners and other adjuvants
7. Finish filling and continue agitation

**STORAGE AND DISPOSAL:**

Store in a dry place at temperatures between 39°F and 110°F. Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Dispose of unused product and empty containers in accordance with federal, state and local regulations. Due to the plant-based material separation and color variations are normal.

**CONDITIONS OF SALE:**

Farmers First, LLC and its affiliates, respective officers, directors, employees, agents, successors, (collectively, "Farmers First") warrants only that this product conforms to the product description on the label. Other than the foregoing Limited Warranty, this product is sold on an 'as-is' basis. Farmers First disclaims to the fullest extent permitted by law, all other warranties of any kind, either express or implied, including, but not limited to: the implied warranty of merchantability, the implied warranty of fitness for a particular purpose, non-infringement, that the use of this product will cause or result in any particular outcome, the suitability of this product to control any specific agricultural pest or disease, or the product compatibility with other products or permitted tank mixes. If Farmers First breaches any of its warranties in relation to this product, buyer's and user's exclusive remedy for such breach is limited to Farmers First repairing or resupplying (at Farmers First's election) the relevant or comparable products in compliance with such warranty. To the fullest extent permitted by law, under no circumstances and under no legal theory (including, without limitation, tort, contract, strict liability, or otherwise) shall Farmers First be liable to user or buyer for (A) any direct, special, incidental, consequential, punitive or exemplary or indirect damages of any kind, including damages for lost profits, lost revenue, unrealized savings, crop loss, loss of yield, loss of goodwill, business interruption damages, work stoppage, or (B) any amount, in the aggregate, in excess of the amount actually paid for this product, exclusive of taxes, shipping & handling, and any other applicable fees, or (C) any other matter. Farmers First further disclaims any liability for compensatory or other damages arising out of any use contrary to the label direction. Some jurisdictions do not allow the exclusion or limitation of certain damages or limitations on how long an implied warranty last, so only portions of the above limitation and exclusions may apply to user or buyer if so restricted by law.
